

PHARMACY BOARD[657]

Adopted and Filed

Pursuant to the authority of Iowa Code sections 124.301 and 147.76, the Board of Pharmacy hereby amends Chapter 2, “Pharmacist Licenses,” Chapter 3, “Pharmacy Technicians,” Chapter 5, “Pharmacy Support Persons,” Chapter 8, “Universal Practice Standards,” Chapter 10, “Controlled Substances,” Chapter 12, “Precursor Substances,” Chapter 17, “Wholesale Drug Licenses,” Chapter 24, “Pharmacy Internet Sites,” and Chapter 30, “Impaired Pharmacy Professional and Technician Recovery Program,” Iowa Administrative Code.

The amendments reduce by at least 10 percent most initial and renewal license and registration fees and most penalty fees for late applications that are currently assessed by the Board. After the 10 percent reduction is calculated, some of the fees are rounded down to the next lowest \$10 increment to simplify accounting. Additional amendments clarify the forms of payment currently accepted by the Board and provide that a late payment penalty fee is not to be imposed on an application for renewal of a delinquent pharmacy technician registration if the applicant has not been practicing as a pharmacy technician since the registration expired. The amendments also eliminate the surcharge that has been imposed on pharmacist, pharmacist-intern, and pharmacy technician license and registration fees. The surcharge funds the Impaired Pharmacy Professional and Technician Recovery Program (IPRN). The Board has determined that at this time the surcharge is an unnecessary cost and burden to these individuals and that the Board will support the IPRN from retained fees.

Requests for waiver or variance of the discretionary provisions of these rules will be considered pursuant to 657—Chapter 34.

Notice of Intended Action was published in the October 3, 2012, Iowa Administrative Bulletin as **ARC 0351C**. The Board received no written comments regarding the proposed amendments. The Board did, however, question the need to continue the IPRN surcharge currently imposed on license and registration fees for pharmacists, pharmacist-interns, and pharmacy technicians. The Board determined that there are currently sufficient funds in the Board’s retained fee account to support the IPRN without burdening pharmacists, pharmacist-interns, and pharmacy technicians with the additional cost.

The adopted amendments differ from those published under Notice. New Item 14 amending rule 657—30.8(155A) has been added to eliminate the current license and registration fee surcharge, and new Item 15 has been added to amend the implementation clause at the end of Chapter 30 to reference the current Iowa Code.

The amendments were approved during the November 9, 2012, meeting of the Board of Pharmacy.

After analysis and review of this rule making, no adverse impact on jobs has been found. The reduced license and registration fees may positively impact job and economic growth for businesses in the state of Iowa. The reduction in fees may allow a person to keep a job, get a raise, and spend more disposable income.

These amendments are intended to implement Iowa Code sections 124.301, 124.302, 124.303, 124B.11, 147.10, 147.11, 147.34, 147.36, 147.76, 147.80, 147.82, 155A.6, 155A.6A, 155A.6B, 155A.9, 155A.11, 155A.13, 155A.13A, 155A.13B, 155A.14, 155A.17, 155A.39, and 272C.3.
